Yogurt, Apple sauce,
Fruit, Veggie stix,
pretzels, raisins, graham
crackers, Apple Juice,
popcorn, cheese, fishies.

From the Administrator

Spring has officially sprung!!! This is an exciting time of year and BNS has a lot in store for our children this month. Our Easter party will take place on Monday the 5th, we invite you to stop back to school for the last half hour of class.

I would like to thank all of you for helping in our candy bar sale. It was a great success. The proceeds helps in enabling us to be able to offer scholarships to families in need for next year. Without everyone's help, it would not be possible.

We are currently accepting soda can donations. If you have some you would like picked up, please contact Trudy Wyman. Of course you are free to leave them at the school at the the welcome desk.

As always, please feel free to contact me with any questions or concerns.

Karen Lake, BNS Administrator

A Message From The Teacher

We have some fun outdoor things planned for this month. Our Easter egg hunt we would like to do outside but that will depend on the weather, otherwise we will use the Church Fellowship Hall. We have a "history week" planned in which we take a walking fieldtrip to the Historical Society. The children will be able to see some old fashion toys. We'll let you know of the date of that as soon as we can. We would also like to take a walk through the cemetery and teach about respect for the gravestones. We have an "animal week" planned, in which we compare size, shape, same and differences in animals.

Academically, the class will focus on colors, shapes and sizes, the life cycle of the butterfly, and sequencing. We continue to make our way through the alphabet. The children really enjoy practicing writing their letters on the dry erase board. We will watch actual caterpillars develop in the classroom and release them when they turn into butterflies. We continue to watch our seeds grow (which have now sprouted!) Happy Spring!

Donna Hayes, BNS Teacher

AMAZON.COM Users!

BNS has an Amazon link and when you visit the site using our link, a portion of the money you spend on your order goes directly to the Nursery School. Please keep that in mind the next time you are doing online purchasing!

BNS has teamed with the United Way! This means that we ARE eligible to receive contributions through the donor option program. This is an easy way to support our organization. Please keep us in mind when United Way visits your work place Our Code is #2374
