From the Administrator

The Holiday Season is upon us! As we are all busy preparing for what this time of year has to bring, it is important to remember that your children will be much more excited about things as well. As we get closer to activities you will find that they get increasingly wound up. It is a good idea to remind them that we need to be kind to our friends at BNS. It is a hard time of year for everyone with the anticipation of what is coming in the next couple weeks. I am sure we can all get through it together.

Our Holiday party will be held Friday the 18th, at which time we will be holding our raffle drawing. Please be sure you have turned in your raffle stubs and earnings to Trudy Wyman before Friday.

From the entire BNS family, please have a safe and healthy holiday break. See you next year!

Karen Lake, BNS Administrator

A Message From The Teacher

This month we have focused on our listening skills. We are using reminders during daily routines to "look" and "listen" this appears to be successful thus far.

The children are making lasting friendships with each other which is nice to see. We have made many, many projects during this busy month of December as I'm sure you've noticed. The children are pleased with the projects and enjoy finding their own once displayed on our walls.

Our Holiday party is December 18th. our supply list is posted, please sign-up at your convenience. You are invited to join us at 10:45 for our 'Holiday Performance', there will be lots of singing and bell ringing.

Have a safe and wonderful winter break.
