From the Administrator

February has been a busy month! Our Open House for fall registration was a complete success. A special "thank you" to the Wilson family for donating yummy cookies. All of our little visitors loved them!

Thank you to all of our families, for donating your time and resources. We truly appreciate all your support. Support like yours is what keeps BNS running strong.

We have a special guest, Monday, February 22, Annette Shepard. She is from "Annette's School of Dance" and is donating her time to show our kiddos some sweet dance moves. Don't forget your beach towels!!!

As always, feel free to contact me with any questions or concerns that you may have.

Karen Lake, BNS Administrator

A Message From The Teacher

In February our class has been focusing on expressing ourselves. We have been discussing feelings, and emotions through visual representation, and movement. The children have already displayed some ability in identifying emotions through pictures. During "Friendship Week" we made bead necklaces for each other, and completed our "Friendship Quilt". We have a special guest coming this month during our "Let's Get Moving" week.

Academically, we are making improvements on identifying the letters of the alphabet, counting, and following visual patterns. The class enjoyed doing the "Hokey Pokey" recently so, this month we will focus on auditory patterns by following music patterns through clapping, stomping, and dancing.

Our Valentine's Day party, thank you to all our families, we appreciate all you do to make our parties and crafts a success with your donations.
