From the Administrator

Welcome back and Happy New Year to all of our BNS families! I hope all of you had a wonderful holiday break spending time with your family and friends. It is also nice to get back into the routine you lose during the holidays. I'm sure the children eager to get back to learning.

We will be running another 3 year old class next year. Our open enrollment will be in February and we will keep you updated as the date gets a little closer.

Cold and flu season is here. Be sure that if your child is ill, that they are not brought to school until they are 24 hours free of vomit and/or fever. This will help ensure that illness is not spread.

As always, feel free to contact me with any questions or concerns that you may have.

Karen Lake, BNS Administrator

A Message From The Teacher

In January our class will be focusing on winter themes; including hibernation, snow and a special theme entitled "All about me". We will be making bears, snowmen, mittens and many more wintry things.

Academically, we will be learning about the letters H, I, J, and K both writing and identifying the letters and sounding them out. Counting, lacing, making patterns and identifying shapes are also our objectives for this month.

We hope you enjoyed our holiday show, the children did a terrific job. Thank you for volunteering your time and goodies for the celebration.

Happy New Year!
Mrs. Hayes
