**WE GROW, WE LAUGH,
WE LEARN**

From the Administrator

We are marching in March! Our candy bar sale is in full swing! If you need additional candy bars, please see Trudy Wyman or myself and we can sign out another box to you. Remember, the child who sells the most will receive a prize!

March and April are still a cold and muddy time of year. Plan on still sending your child in with snow gear to play outside.

As always, please feel free to contact me with any questions or concerns.

A Message From The Teacher

This month our class will be focusing on "growing" since we are approaching the growing season. We will be celebrating St. Patrick's Day please take note of the sign-up sheet by the mailboxes we have some interesting supplies needed for our party. We hope to have a St. Patrick's Day parade, depending on the weather. We are also planning to have a *Wacky Wednesday* this month, stay tuned for more details.

Academically we are continuing to work on making patterns, identifying and writing the letters of the alphabet, cutting, and counting. We are introducing measuring this month to go with our "growing" theme. We recently introduced some new circle time songs to the children, ask your child about them.

We continue to take the children outside whenever we can, please continue to bring in seasonable clothing for outdoor wear. Thank you.
