From the Administrator

April showers have brought us May flowers! Along with a very busy month. We have a lot of fun trips and activities planned for May. Be sure to watch for reminders for all of our upcoming events.

A special thanks to the Wilson, McLaughlin and Fenster families. The Wilsons have been very generous in donating a much needed set of glue sticks. The McLaughlins have been kind enough to introduce our children some creepy critters. The Fensters have offered to throw our families a graduation party. It is family participation that turns a good school experience into a great one!

Details for Memorial Day and Graduation will be announced soon.

As always, please feel free to contact me with any questions or concerns.

Karen Lake, BNS Administrator

A Message From The Teacher

The year is flying by and we still have so much to do. This month we are planning a Mother's day Tea, an Ice Cream Social, a trip to the Bloomfield Library and a visit to the East Bloomfield Fire Station. We are also preparing for our graduation celebration! Keep an eye out for sign-up sheets for our special events.

Academically, we continue to make our way through the alphabet, writing our letters, names and numbers. We just began practicing to write our numbers to five, they are doing a fantastic job. We are continuing sequencing and pattern activities and beginning to talk about the five senses.

The class really seemed to enjoy learning about the life cycle of the butterfly. We have some great pictures of their expressions during our butterfly release. We look forward to the beautiful weather and spending more time outside. I have thoroughly enjoyed working with each and everyone of your children this year and watching them grow.

Donna Hayes, BNS Teacher

AMAZON.COM Users!

BNS has an Amazon link and when you visit the site using our link, a portion of the money you spend on your order goes directly to the Nursery School. Please keep that in mind the next time you are doing online purchasing!

BNS has teamed with the United Way! This means that we ARE eligible to receive contributions through the donor option program. This is an easy way to support our organization. Please keep us in mind when United Way visits your work place Our Code is #2374
