Volume 2, Issue 3

**WE GROW, WE LAUGH,  
WE LEARN**

## From the Administrator

We have had a wonderful month! The kids loved learning about apples and donuts at The Apple Farm. Our fire prevention week went well. The children were able to get behind the wheel of a real fire truck. Our pumpkin patch experience was great fun! The kids enjoyed running around the pumpkin maze and running through the hay stacks. This week, we will end October with a Halloween celebration on Friday, October 30th. Children are welcome to come in costume!

Thank you to all the families who participated in our bulb sale. Fund raising is a vital part of our school. It helps us maintain an affordable tuition and contributes to the student school supplies. We will be having a raffle in December. If you have any donation suggestions, please feel free to contact Trudy Wyman.

## A Message From The Teacher

This has been a very busy month, Apples, and Fire Trucks, and Pumpkins oh my! We've enjoyed all of our field trips this month and are in the processes of completing our Thank You notes to the folks and businesses involved. We've been focusing our skills on all the changes autumn brings through books and songs. We continue to work our way through the alphabet using visual and auditory skills. Sharing and class participation skills in the students have increased since last month. Mrs. Miller and I have implemented a new program - when a student is caught doing something positive they receive a sticker (it could be for sharing, saying please or waiting for their turn, etc.) So if you see a sticker on your child, ask them how it got there! Our Halloween Party will be taking place Friday, October 30, have your child come in their favorite costume. A sign up sheet for this event is posted.
