**WE GROW, WE LAUGH,
WE LEARN**

An Important Note:

-Upon arrival to school please remember to have your child use the hand sanitizer before they start their school day.

-Try to teach your child to get a tissue and blow their nose and wipe if it is runny.

-Remind them safe coughing procedures into the crook of their arm.

-As the weather gets colder, please remember that if it is not wet the children will play outside. Don't forget to pack a coat or sweatshirt.

Coming Next Month:

-Field trip to the apple farm

-A pumpkin picking field trip

-Fire safety day, children will be able to tour a REAL fire truck!

Date to Remember:

From the Administrator

teachers are busy developing their daily routines. It has been a true joy to see the children interact with one another. Watching them discover new things and making connections that will last them a lifetime.

Trudy Wyman, head of our fund raising, will be sending home information in the next week. If you have any fund raising ideas, please feel free to contact her.

I have gotten a lot of feedback from our families. I truly appreciate you giving us the opportunity to allow this program to grow through all of your wonderful suggestions.

Any other questions or concerns, as always you may contact me anytime.

A Message From The Teacher

We have made a lot of new friends this month. Things seem to be moving right along. This month we're learning about **APPLES**. We've learned how apples grow, focused on the color **red**, and our letters **A, B, and C**. We have painted with apples, eaten apples, made pies with apples and are planning a field trip in October to the Apple Farm. The children are looking forward to this field trip.

Thank you to all the parents who have volunteered so far this month. You've been a fantastic help!

Donna Hayes, BNS Teacher
